Title of session	Session Leader	Summary of session	Target Audience	Choice
10 Ways to jazz up a lesson	Laurinda Rudge, Teaching and Learning Innovator at Farlingaye High School.	This session will give you some practical and creative ideas on how to (with very little time) inject a little spark into a cover lesson.	Classroom Managers and Cover Supervisors	
Looked after children	Jane Tempest, Education Planning Manager for Suffolk Virtual School with responsibility for improving educational experiences and outcomes of the authority's children in care.	This session will deal with the particular behavioural and emotional issues concerned with teaching children in care.	Learning Support Assistants, Teaching Assistants, Cover Supervisors and Classroom Managers.	
Behaviour techniques –	Louise Gilmour, Assistant Headteacher at Farlingaye High School.	This session will give you some practical strategies for managing behaviour of students in the classroom both one to one and whole class.	Learning Support Assistants, Teaching Assistants, Cover Supervisors and Classroom Managers.	
Understanding your students with diabetes	Helene Shaw, Publications Assistant.	Gain an understanding of Type 1 diabetes. Understand what young people with Type 1 diabetes cope with on a daily basis. How is it treated? What affects blood glucose control? How can you help them? Includes a practical on how a diabetic calculates their insulin dose.	Learning Support Assistants, Teaching Assistants, Cover Supervisors and Classroom Managers.	
Understanding and supporting students with dyslexia	Cathy Laird, Assistant Headteacher at Farlingaye High School.	“Being at school has made my life hell. I can’t read or write well so everyone assumes I’m thick”. Trying to understand some of the stresses faced each day by dyslexic students, and recognising the strengths they bring with them into the classroom.	Learning Support Assistants, Teaching Assistants, Cover Supervisors and Classroom Managers.	

Supporting students with ASD	Jennie Allkins, County Inclusion Resource.	This session will outline the various different behaviours on the autistic spectrum and provide a variety of different strategies to effectively support these students.	Learning Support Assistants, Teaching Assistants, Cover Supervisors and Classroom Managers.	
The Learning Support Toolkit	Julie Moore, Julie Moore, Assistant SENCO at Farlingaye High School	This session will include practical techniques to use in the classroom to help support students with a variety of special needs. It will also include a handy tool box with bits and bobs to take to lessons to help students access and understand the work they are being taught.	Learning Support Assistants, Teaching Assistants, Cover Supervisors and Classroom Managers.	
Building resilience and improving self esteem	Jan Siddall, Head teacher at First Base a Pupil Referral Unit providing additional support for Children with behavioral difficulties in Key Stage 1.	Jan is an experienced practitioner who has worked over many years with students who have behavioural special needs. She also leads CPD regularly in this area. She will cover a range of practical approaches which have had a positive impact on the resilience and self-esteem of students.	Learning Support Assistants, Teaching Assistants, Cover Supervisors and Classroom Managers.	
Supporting students with mental health problems	Penny Tyndale-Hardy, Head of Sixth Form at Farlingaye High School.	This session will look at strategies on how to support students suffering from mental health problems including self-harm, eating disorders and anxiety.	Learning Support Assistants, Teaching Assistants, Cover Supervisors and Classroom Managers.	
Practical ways in which to support a variety of needs in the same class.	Debbie Pritchard, Director of Learning Support at Farlingaye High School	This session will look at the practical approach of supporting a range of students in a lesson with a range of different needs.	Learning Support Assistants, Teaching Assistants, Cover Supervisors and Classroom Managers.	
Techniques on supporting anxious and worried students	Harriet Wickson, Teacher of Psychology at Farlingaye High School.	This session provides strategies to use with all students but particularly your stressed ones. We will look at quick stress management techniques for those melt down moments and some strategies to reduce stress in the long term.	Learning Support Assistants, Teaching Assistants, Cover Supervisors and Classroom Managers.	
How to support students in promoting memory skills	Sara Curtis, Head of Psychology at Farlingaye High School.	This session will look at ways to help students with memory and revision techniques	Learning Support Assistants, Teaching Assistants, Cover Supervisors and Classroom Managers.	

The cost of attending the Behaviour Support Assistant Conference is £35 per delegate. Your school will be invoiced by the Farlingaye and Kesgrave Teaching School Alliance upon receipt of a booking form or confirmation email.

Booking forms / choices should be returned by email to ksciberras@farlingaye.suffolk.sch.uk or by post to Karen Sciberras, Farlingaye High School, Ransom Road, Woodbridge, IP12 4JX
